

DELAFIELD CO-OP MARKET NEWSLETTER

WELCOME NEW FARM!

We are excited to be adding locally made cheese from WKU's Hilltopper Creamery to the market. These cheeses are made from the dairy cows on the farm. Stop in this week for the new product. We will also purchase other fruits and vegetables from them.

CASH ACCEPTED

You spoke and we listened. With the additional staff in the market we are now able to accept all forms of payment including cash!

Be sure to like the Delafield Co-Op Market Facebook page for staying up to date on all the news

Market Update

We are so excited to see how well the DCM is growing! Be sure to keep bringing in your neighbors to become members. The co-op has close to 250 members now! To be sure we are building the co-op to be sustainable for the community we will now feature products at the front of the store that are discounted 50% or more. All West End members will continue to receive 30% off the retail price every time you shop unless the product is already discounted. Sales may now take place any day and Friday will no longer be all produce 50%. Market hours are Tuesday - Friday 10-4pm and Thursday evening till 6pm. Stop in and see Patty and Luis for all your market needs.

Remember every time each of us choose to shop at the market we are...

- building a sustainable fresh food system together
- supporting local farmers and makers
- increasing the local economy and creating jobs

Delafield Neighborhood Group

All Delafield residents are invited to become part of the neighborhood group. Meetings are held the 1st/3rd Wednesdays of each month from 2-3pm at HOTEL INC.
